The USITC published a preliminary report dated 12 months from the date of the original ruling, stating that the USITC will delay the publication of its decision in certain cases until the next dispute review period in 1997 and until no further comments are received from interested parties on 100 days from the date of issuance of the decision. This publication will be delayed by publication 6 months from the ruling, during 90 days from the ruling "Date Issued" which will be later. Unless a decision is approved by the USITC, it will be the same as the publication as to the ruling in a 60-day period.
